

Project Design Phase-II

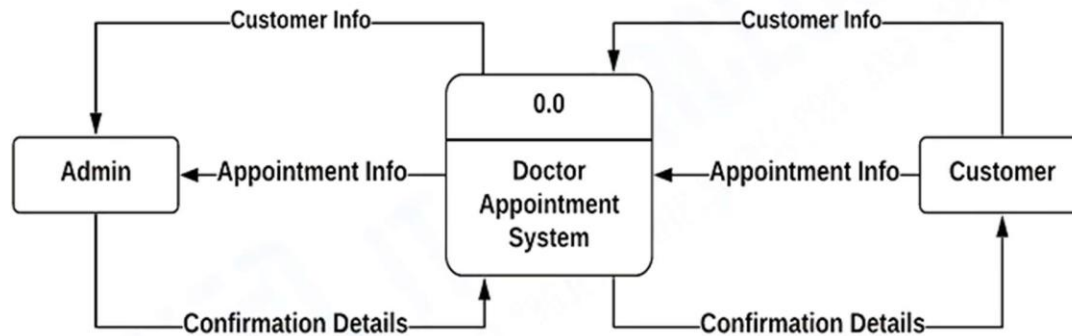

Data Flow Diagram & User Stories

Date	28 th March 2025
Team ID	SWUID20250152937
Project Name	DocSync
Maximum Marks	4 Marks

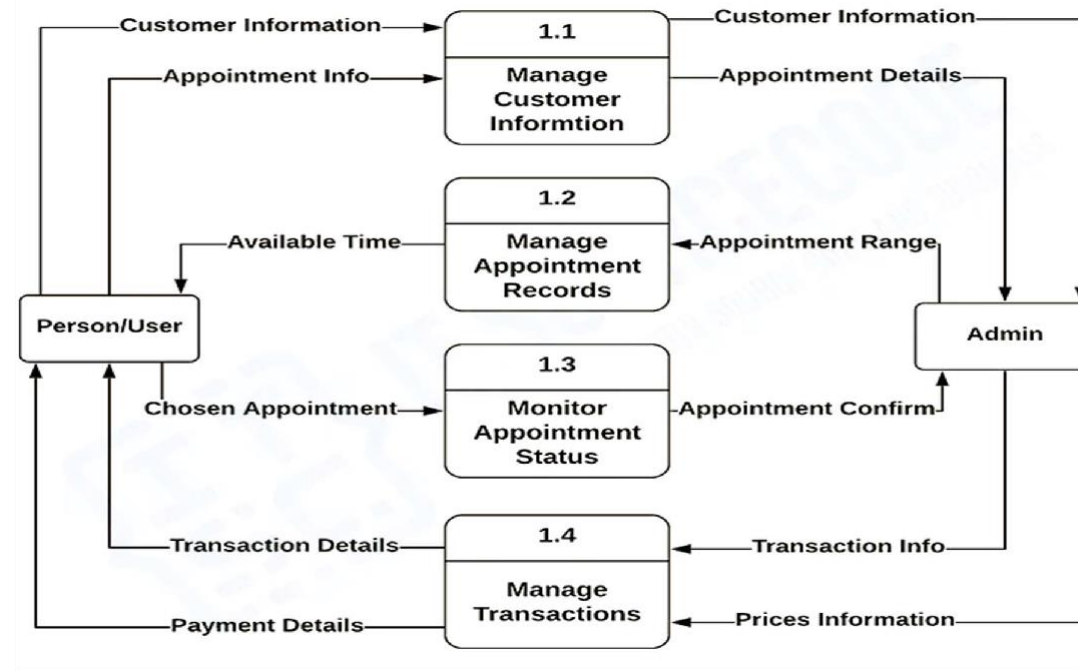

Data Flow Diagrams:

A Data Flow Diagram (DFD) is a traditional visual representation of the information flows within a system. A neat and clear DFD can depict the right amount of the system requirement graphically. It shows how data enters and leaves the system, what changes the information, and where data is stored.
